RE: IN THE MATTER OF THE APPLICATION OF BOOMERANG WIRELESS LLC DBA ENTOUCH WIRELESS TO EXPAND ITS ELIGIBLE TELECOMMUNICATIONS CARRIER SERVICE AREA. (DOCKET NO. T-20861A-15-0409)

### INTRODUCTION

On December 8, 2015, Boomerang Wireless, LLC d/b/a enTouch Wireless ("Boomerang" or the "Applicant"), filed an application requesting Commission approval to expand its existing Eligible Telecommunications Carrier ("ETC") designated service area in Arizona. In addition, the Applicant is proposing to define its designated service area in Arizona by Zip Codes rather than Wire Centers in the future. Staff recommends approval of Boomerang's application.

### REQUESTED DESIGNATED SERVICE AREA CHANGES

The Arizona Corporation Commission ("Commission") designated Boomerang a wireless, Lifeline-only ETC in Decision No. 73998, dated July 30, 2013 (corrected *nunc pro tunc* by Decision No. 74177 (October 25, 2013) (the "Designation Order").

When Boomerang received ETC designation from the Commission, its designated services area was defined by a list of the specific Qwest Corporation dba CenturyLink QC's Wire Centers making up the service area. In this Application, Boomerang states its underlying carriers typically define their wireless service areas using Zip Codes rather than Wire Centers. As such, Boomerang is requesting to convert its existing designated service area from a Wire Center format to a Zip Code format as identified in Attachment 1 of the Proposed Order.

In addition, Boomerang also has determined that there are additional Zip Codes where its underlying carriers Sprint, Verizon, and T-Mobile, and new underlying wireless service provider AT&T have sufficient (i.e., greater than 60 percent) or substantial coverage, but that are not covered by Boomerang's current ETC designated service area. Boomerang requests the Commission approve the expansion of its ETC designation area to include these 39 Zip Codes, identified in Attachment 2 of the Proposed Order.

For those Zip Codes that encompass tribal lands and are served by a Tribally-owned telecommunications carrier, Boomerang will not provide Lifeline service to that portion of the Zip Code covering the Federally-Recognized Tribal Lands. In addition, consistent with the Designation

Order and Boomerang's stipulation with the Arizona Local Exchange Carriers Association ("ALECA"), if a Zip Code covers Federally-Recognized Tribal Lands that are NOT served by a Tribally-owned telecommunications carrier, Boomerang will only serve the portion of the Federally-Recognized Tribal Lands it obtains any and all necessary licenses or other forms of approval that may be required by the Tribe, and Boomerang files a copy of such licenses or other forms of approval with the Commission.

## STAFF ANALYSIS

In the Designation Order, the Commission required that should Boomerang expand its Lifeline service beyond the designated service area specified in this application, Boomerang is required to seek ETC designation from the Commission to serve the additional area.<sup>1</sup> Boomerang currently is authorized to provide Lifeline services in the Wire Centers listed in the Designation Order. In this application, Boomerang seeks to convert its coverage area from the Wire Centers listed in the Designation Order to 493 Zip Codes listed in Attachment 1 of the Proposed Order and add 39 Zip Codes listed in Attachment 2 of the Proposed Order, to its designated service area.

FCC rules, 47 C.F.R. Sections 54.201-54.202, set forth the requirements for designation as an ETC. Boomerang states that in its initial Application for Designation as an ETC (Docket No. T-20861A-12-0415), it provided all of the information required by FCC ETC rules. Boomerang states that it meets and will comply with all of the requirements for the expanded service area. In its application, Boomerang seeks designation as an ETC in areas served by both rural and non-rural ILECs in Arizona. The FCC has determined that ETC designation for a non-rural carrier should be accompanied by a public interest finding.

Staff agrees with Boomerang that there are public interest benefits to expanding Boomerang's ETC designation area. Boomerang states that these public interest benefits include: "1) a larger local calling area and expanded coverage area via multiple underlying carriers (as compared to traditional wireline carriers and single wireless carriers; 2) the convenience, portability, and security afforded by mobile telephone service; 3) the opportunity for customers to control cost by receiving a pre-set amount of flat-rate monthly airtime; 4) the ability to purchase additional low-cost usage at multiple convenient locations in the event that included usage has been exhausted; 5) the ability of users to use the supported service to send and receive "SMS" or text messages as well as the option to send data and access the public internet; and 6) 911 and, where available, enhanced 911 service in accordance with current FCC requirements."<sup>2</sup>

With respect to changing the format in which Boomerang's Designated Service Area is defined in the future, Staff believes that Boomerang's request is reasonable and in the public interest because the Company's underlying carriers typically use a Zip Code format rather than a Wire Center format. Consistency among carriers in this regard is less confusing and therefore is in the public interest.

<sup>2</sup> Boomerang Application at 4.

The Consumer Services Section of the Utilities Division reports that there have been no complaints, inquiries, or opinions about Boomerang for the period of January 1, 2012 to December 21, 2015. According to the Corporations Division, Boomerang is in good standing. The Compliance Section reports that Boomerang is in compliance.

#### STAFF RECOMMENDATIONS

Staff recommends that the application of Boomerang to convert its existing designated service area from Wire Centers to Zip Codes as listed in Attachment 1 of the Proposed Order be approved. Staff also recommends approval of the Company's further request to expand its existing designated service area with the additional 39 Zip Codes listed in Attachment 2 of the Proposed Order. Staff further recommends that Boomerang be required to file updated tariff pages replacing the existing Wire Center listing with Zip Codes and that it include the additional 39 Zip Codes authorized by the Commission in this Docket for inclusion in its designated service area, in its ETC tariff and that this updated tariff be filed within 30 days of the date of the Decision in this matter.

DECISION NO. \_\_\_\_\_  
ORDER

Open Meeting  
February 2 and 3, 2016  
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. On December 8, 2015, Boomerang Wireless, LLC dba enTouch Wireless (“Boomerang” or “Applicant”), filed an application requesting Commission approval to expand its existing Eligible Telecommunications Carrier (“ETC”) designated service area in Arizona. In addition, the Applicant is proposing to define its designated service area in Arizona by Zip Codes rather than Wire Centers in the future. Staff recommends approval of Boomerang’s application.

**Requested Designated Service Area Changes**

2. The Arizona Corporation Commission (“Commission”) designated Boomerang a wireless, Lifeline-only ETC in Decision No. 73998, dated July 30, 2013 (corrected *nunc pro tunc* by Decision No. 74177 (October 25, 2013) (the “Designation Order”).

3. When Boomerang received ETC designation from the Commission, its designated services area was defined by a list of specific Qwest Corporation dba CenturyLink QC’s Wire Centers making up the service area. In this Application, Boomerang states its underlying carriers typically define their wireless service areas using Zip Codes rather than Wire Centers. As such, Boomerang is

1 requesting to convert its existing designated service area from a Wire Center format to a Zip Code  
2 format as identified in Attachment 1 of the Proposed Order.

3 4. In addition, Boomerang also has determined that there are additional Zip Codes where  
4 its underlying carriers Sprint, Verizon, and T-Mobile, and new underlying wireless service provider  
5 AT&T have sufficient (i.e., greater than 60 percent) or substantial coverage, but that are not covered  
6 by Boomerang's current ETC designated service area. Boomerang requests the Commission approve  
7 the expansion of its ETC designation area to include these 39 Zip Codes, identified in Attachment 2  
8 of the Proposed Order.

9 5. For those Zip Codes that encompass tribal lands and are served by a Tribally-owned  
10 telecommunications carrier. Boomerang will not provide Lifeline service to that portion of the Zip  
11 Code covering the Federally Recognized Tribal Lands. In addition, consistent with the Designation  
12 Order and Boomerang's stipulation with the Arizona Local Exchange Carriers Association  
13 ("ALECA"), if a Zip Code covers Federally-Recognized Tribal Lands that are NOT served by a  
14 Tribally-owned telecommunications carrier, Boomerang will only serve the portion of the Federally-  
15 Recognized Tribal Lands it obtains any and all necessary licenses or other forms of approval that may  
16 be required by the Tribe, and Boomerang files a copy of such licenses or other forms of approval with  
17 the Commission.

### 18 **Staff Analysis**

19 6. In the Designation Order, the Commission required that should Boomerang expand its  
20 Lifeline service beyond the designated service area specified in this application, Boomerang is required  
21 to seek ETC designation from the Commission to serve the additional area.<sup>1</sup> Boomerang currently is  
22 authorized to provide Lifeline services in the Wire Centers listed in the Designation Order. In this  
23 application, Boomerang seeks to convert its coverage area from the Wire Centers listed in the  
24 Designation Order to 493 Zip Codes listed in Attachment 1 of the Proposed Order and add 39 Zip  
25 Codes, listed in Attachment 2 of the Proposed Order, to its designated service area.

26  
27  
28 <sup>1</sup> See Decision No. 73998, Page 16, lines 11-12.

1           7.     FCC rules, 47 C.F.R. Sections 54.201 -54.202, set forth the requirements for  
2 designation as an ETC. Boomerang states that in its initial Application for Designation as an ETC  
3 (Docket No. T-20861A-12-0415), it provided all of the information required by FCC ETC rules.  
4 Boomerang states that it meets and will comply with all of the requirements for the expanded service  
5 area. In its application, Boomerang seeks designation as an ETC in areas served by both rural and  
6 non-rural ILECs in Arizona. The FCC has determined that ETC designation for a non-rural carrier  
7 should be accompanied by a public interest finding.

8           8.     Staff agrees with Boomerang that there are public interest benefits to expanding  
9 Boomerang's ETC designation area. Boomerang states that these public interest benefits include: "1)  
10 a larger local calling area and expanded coverage area via multiple underlying carriers (as compared to  
11 traditional wireline carriers and single wireless carriers; 2) the convenience, portability, and security  
12 afforded by mobile telephone service; 3) the opportunity for customers to control cost by receiving a  
13 pre-set amount of flat-rate monthly airtime; 4) the ability to purchase additional low-cost usage at  
14 multiple convenient locations in the event that included usage has been exhausted; 5) the ability of  
15 users to use the supported service to send and receive "SMS" or text messages as well as the option to  
16 send data and access the public internet; and 6) 911 and, where available, enhanced 911 service in  
17 accordance with current FCC requirements."<sup>2</sup>

18           9.     With respect to changing the format in which Boomerang's Designated Service Area is  
19 defined in the future, Staff believes that Boomerang's request is reasonable and in the public interest  
20 because the Company's underlying carriers typically use a Zip Code format rather than a Wire Center  
21 format. Consistency among carriers in this regard is less confusing and therefore is in the public  
22 interest.

23           10.    The Consumer Services Section of the Utilities Division reports that there have been  
24 no complaints, inquiries, or opinions about Boomerang for the period of January 1, 2012 to December  
25 21, 2015. According to the Corporations Division, Boomerang is in good standing. The Compliance  
26 Section reports that Boomerang is in compliance.

**Staff Recommendations**

11. Staff recommends that the application of Boomerang to convert its existing designated service area from Wire Centers to Zip Codes as listed in Attachment 1 of the Proposed Order be approved. Staff also recommends approval of the Company's further request to expand its existing designed service area 39 Zip Codes listed in Attachment 2 of the Proposed Order. Staff further recommends that Boomerang be required to file updated tariff pages replacing the existing Wire Center listing with Zip Codes and that it include the additional 39 Zip Codes authorized by the Commission in this Docket for inclusion in its designated service area, in its ETC tariff and the this updated tariff be filed within 30 days of the date of the Decision in this matter.

**CONCLUSIONS OF LAW**

1. Boomerang Wireless, LLC dba enTouch Wireless is a telecommunications company as defined in A.R.S. § 40-201(46) and is a "telecommunications carrier" as defined in 47 U.S.C. § 153(51). Boomerang Wireless, LLC dba enTouch Wireless is also a reseller of Commercial Mobile Radio Service as defined in 47 U.S.C. § 20.3 and A.A.C. R14-2-1201(8).

2. The Commission has jurisdiction over the subject matter of the Application.

3. Under 47 U.S.C. § 214(e)(2), the Commission must establish the geographic area for the purposes of determining universal service obligations and support mechanisms. Boomerang Wireless, LLC dba enTouch Wireless's Application requests converting its existing ETC designated service area from Wire Centers to 493 Zip Code as listed in Attachment 1 and an expansion to its ETC designated service area to include 39 new zip codes listed in Attachment 2.

**ORDER**

IT IS THEREFORE ORDERED that the Application of Boomerang Wireless, LLC dba enTouch Wireless to convert its existing ETC designated service area from Wire Centers to 493 Zip Codes and add 39 additional zip codes to extend its current Eligible Telecommunications Carrier designated service area pursuant to U.S.C. § 214(e)(1) for the purpose of receiving federal universal service support in Arizona, as set forth in Attachments 1 and 2 attached hereto and incorporated herein by reference, be and hereby is granted as discussed herein.

...

1 IT IS FURTHER ORDERED that Boomerang Wireless, LLC dba enTouch Wireless shall file  
 2 revisions to its existing ETC tariff to replace its listing of Wire Center with the 493 Zip Codes listed in  
 3 Attachment 1 and add the additional 39 zip codes in Attachment 2 within 30 days of the date of the  
 4 Decision in this matter

5 IT IS FURTHER ORDERED that this Decision shall become effective immediately.
