Re: Docket No. T-01051B-15-0382

DOCKETED BY	
-------------	--

Dear Sir or Madam:

On November 9, 2015, Qwest Corporation d/b/a CenturyLink-QC ("CenturyLink") filed revisions in the above referenced docket to its Competitive Exchange and Network Services Tariff. The revisions would introduce a Facility Relocation Surcharge which would be assessed on a per line basis to assist in the recovery of unreimbursed costs associated with government mandated relocations of the Company's facilities. On December 8, 2015, CenturyLink filed a letter in the docket agreeing to extend the time clock for the Commission to take action with respect to the tariff filing in this matter by an additional 45 days - until January 23, 2016.

CenturyLink hereby agrees to extend the time clock for the Commission to take action by an additional 25 days - until February 17, 2016. The intent of the extension is to allow the Staff further time for its review and analysis of the filing, but with the intent to make a recommendation to be heard by the Commission at the February 2016 Open Meeting.

Sincerely,

Reed Peterson

Cc Mr. Wilfred M. Shand, Jr.
