COMMENTS FROM PINE VALLEY WATER COMPANY ON
THE DOCKETED REVISED STAFF REPORT FOR PVWC'S
APPLICATION FOR AN INCREASE IN ITS RATES

We have no objections to the Revised Staff Report filed by AZCC staff regarding the Pine Valley Water Company Application for an increase in its rates. (Docket # W-02181A-15-0216). While the increase is not what we had originally hoped; after our hearing, review, and discussion with AZCC staff, we think the revised report is a fair and equitable adjustment to the first report. The increase put forward should allow some flexibility and we will track revenues and operating costs going forward with review and requests as needed. These comments were prepared by Lance Wischmeier, President of Pine Valley Water Company.
