Especially all your volunteers, skilled, and unskilled labor hours. It is through companies as yours that we are able to continue our mission, and hope you and your organization know how much we value all your hard work and dedication, and setting the example for the benefit of the citizens of Santa Cruz County, and for having the privilege of being one of your partners! Thanks to your company these families will be living a much healthier and safer environment. We can't thank your organization enough, in helping out in our community.

Our board understands the difficult task of prioritizing requests.
