Company: Sulphur Springs Valley Electric Cooperative, Inc.

Division: Electric

Nature Of Opinion

Docket Number: E-01575A-15-0312

Docket Position: Against

Those that generate electricity threw their investment in the environment and for the lowering of their bills should benefit not just the distributors. The electric companies are trying to increase their own profits on the backs of those small individuals who have made considerable personal investments and are ruining the chances of Arizona acquiring a good, clean industry!
