Nature Of Opinion

Docket Number: E-04204A-15-0142 **Docket Position:** Against

I don't know how the Corporation Commission can even think of approving the raise in cost of electric for the people of Mohave County. UniSource makes enough money to give the CEO over \$300,000 per year. Most of the people of Mohave County are either poor or on limited income. Why should we have to suffer the cost of their greed? Please don't approve their money grab increase on the backs of the poor.
