Demand Charge

I am a new resident to Lake Havasu City, my wife and I are retired, and I am totally disabled. This request rate change will cause a very great due hardship upon on us. As we are like many other residents of this city, and as said above are on fixed income. One of the reasons to buy our home here, was that the utility rates were fair. We came from southern California where this type of rate demand charge was used, and many times it caused high costs. I usually do not get involved in things like this, but in this case, I had to have my concerns heard, because this is just about greed. I ask that the commission listen to the many residents of Lake Havasu City, and deny this rate change. Thank you for your time, and hearing me out. Ora O. Gardner, Jr.
