### Nature Of Opinion

Docket Number: E-01345A-16-0036      Docket Position: Against

Arizona utilities are trying to make ALL customer's electric bills more complicated and more volatile. At the same time, they're pushing the same solar policies that recently killed the solar market in Nevada. This is an attack on our energy freedom and we need you to speak out. Say NO to ambushing Arizona with these new volatile charges.
