Nature Of Opinion

Docket Number: W-20919A-16-0068 Docket Position: For

We, Mr. and Mrs. Lee, residents of do agree the approval of application of the Navajo Tribal Utility Authorization transfer from the Arizona Windsong Water Company (Docket No. W-20919A-16-0068). We have experienced contamination of water which is on going; we do not use the water for drinking, cooking and bathing. We do not have a certified staff for make corrections of the breakdowns. This has been very stressful for families that have children and/or the elderly population. We do appreciate your recommendation for the transfer to NTUA. Thank you.
