RE: Docket No W-02271/A-16-0037 Green Acres Permanent Rates

Per Staff's initial review of the Green Acres Permanent Rate Application it was noted that the Certificate of Compliance from the Arizona Department of Revenue was not included. The reason the certificate was not included is because Green Acres is not in compliance with ADOR.

When Todd Brandenberger resigned his position as owner of the system in January 2014, he canceled the TPT license he had with AZDOR. Sales tax reports have not been filed since 2014. In order to obtain a new TPT license the application would have to be signed by an owner. Due to the ownership issues at hand, there is no one available to sign the application therefore, the sales tax reports are not current.
