## CUSTOMER NOTIFICATION

**GREEN ACRES WATER COMPANY** has applied to the Arizona Corporation Commission for an adjustment in rates. The current rates have been in effect since 11/14. An increase in rates is necessary at this time to purchase a new pressure tank, new distribution system, new electrical panel, removal of old storage tank, and replacement of well discharge line for the west well. To put the east well online the requirements would be to connect the pump to the pressure tank, raise the well pump, new electrical panel, new pressure tank including all plumbing and valves, new wall, an arsenic filtration system and replace the fencing. Based on the Company's un-audited Test Year results, **GREEN ACRES WATER COMPANY** realized an operating income of \$3,474.78. The company is requesting a revenue increase of \$17.19.

Currently, customers pay a **SURCHARGE** of \$17.19 which is mandated for High Priority repairs on the west well and a **Monthly Service Charge** of \$17.50 = \$34.69. It is the intention of **GREEN ACRES WATER COMPANY** to include the **SURCHARGE** into the **Monthly Service Charge** and with the intention of using the whole \$34.69 for repairs to both the east and west wells.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix at 1200 West Washington Street (for Tucson, call 800-535-0148 if located outside the Tucson local calling area or 520-628-6555 if inside the Tucson local calling area) and at **GREEN ACRES WATER COMPANY**, 4743 EAST 30<sup>TH</sup> PLACE YUMA, ARIZONA 85365. Please be advised that the rates and charges ultimately approved by the Commission may be higher or lower than the rates and charges requested in the Application.
