Re: UNS rate case

ORIGINAL

Dear Chairman Little and Members of the Arizona
Corporation Commission,

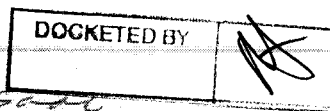

I am a TEP customer in the state of Arizona.
I am writing to oppose the additional mandatory
fees and the attack on rooftop solar.

The UNS rate case will set a negative
precedent for Arizona electricity customers. I
do not wish to see increases in mandatory
fees or new penalties on rooftop solar in
Arizona.

UNS's proposal to raise mandatory fees
and to impose a new "demand charge"
would have a negative impact.

Please oppose the Arizona Corporation Commission
