DECISION NO. 75532

ORDER

Open Meeting

Phoenix, AZ

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission (“Commission”) finds, concludes, and orders that:

* * * * *

FINDINGS OF FACT

1. On February 1, 2000, the Commission issued Decision No. 62281, approving Globalinx Enterprises, Inc.’s (“GEI” or “Company”) application for a Certification of Convenience and Necessity (“CC&N”) to provide resold long distance telecommunications services within the State of Arizona.¹

2. On August 22, 2002, the Commission issued Decision No. 65126, approving GEI’s application for a CC&N to provide resold and facilities-based local exchange services and access exchange telecommunications services within the State of Arizona. However, on October 3, 2003, the Compliance and Enforcement Manager of the Utilities Division sent a letter notifying GEI that it had not met the compliance requirements of Decision No. 65126. As a result, GEI’s CC&N for resold and facilities-based local exchange and access exchange telecommunications services was deemed null and void.

3. On June 4, 2015, GEI filed an application with the Commission requesting to cancel its

¹ GEI was formerly known as Tri-M Communications, Inc. See Docket No. T-03714A-13-0433.

1 CC&N to provide resold long distance telecommunications services within the State of Arizona and
2 requesting a waiver of the notice and publication requirements as set forth in A.A.C. R14-2-1107 (A)-
3 (B).

4 4. On August 12, 2015, GEI filed an amended application to cancel its CC&N to provide
5 facilities-based local exchange services within the State of Arizona.

6 5. On October 6, 2015, GEI filed a second amended application clarifying that the
7 Company is requesting to cancel its CC&N to provide resold long distance, resold and facilities-based
8 local exchange, and access exchange telecommunications services with the State of Arizona.

9 6. On February 10, 2016, the Commission's Utilities Division ("Staff") filed a Staff Report
10 in this matter, recommending approval of GEI's amended application.

11 7. Pursuant to A.A.C. R14-2-1107(A)(2), telecom companies are required to provide
12 notice to all affected customers when they intend to discontinue services. Further, A.A.C. R14-2-
13 1107(B) requires that telecom companies publish legal notice of their intent to discontinue service.
14 Staff states that because GEI has no long distance customers on its network and it never provided local
15 exchange services in Arizona, waiver of the notice and publication requirements set forth in A.A.C.
16 R14-2-1107(A)-(B) is appropriate. Staff also recommends the cancellation of GEI's tariffs that are on
17 file with the Commission.

18 CONCLUSIONS OF LAW

19 1. Globalinx Enterprises, Inc. is a public service corporation within the meaning of Article
20 XV of the Arizona Constitution and A.R.S. §§ 40-281, 40-282 and 40-285.

21 2. The Commission has jurisdiction over Globalinx Enterprises, Inc. and the subject matter
22 of the application.

23 3. The cancellation of Globalinx Enterprises, Inc.'s CC&N to provide resold long distance,
24 resold and facilities-based local exchange, and access exchange telecommunications services within
25 the State of Arizona is in the public interest.

26 4. Granting waiver of the notice and publication requirements set forth in A.A.C. R14-2-
27 1107(A)-(B) is reasonable in this matter.

28 5. Staff's recommendations are reasonable and should be adopted.
