Re: Docket No. W-02105A-09-0522, Decision No. 72001

Here is our water report for the 1st QTR of 2016. We continue to remove old meters and replace with new meters to control and help to lower water loss. We had a 4 line breaks that we feel had been ongoing for a few months, subsequently resulting in higher than normal water loss.

We had one individual cut the lock off of their residential meter due to non-payment and that individual has been prosecuted We are actively changing out more meters, locating and repairing more line leaks. We are continuing to address areas in regards to water loss.

Please let me know if you have any questions.

Regards,

Joseph Duarte
Office Clerk
