Nature Of Opinion

Docket Number: W-02168A-15-0369 **Docket Position:** Against

As the previous VVPOA 'Intervener' and past board member I gave sworn testimony re: our history with Truxton Cyn. Water Co. and the Neal family. The original \$2.02 'surcharge' was accepted and docketed. Recently we received notice of a 'surcharge' of \$18.02 for the Arsenic Treatment Plant WIFA loan. The duration of the loan and interest rate should determine a fair cost spread over the nearly 900 customers, annually. A 'test year' has already been approved at the end of which an additional rate increase would be determined. A REASONABLE surcharge is justified, not a windfall for Truxton. (They have an old, dated and deficient infra-structure that needs serious attention, as well as serious COMPLIANCE with ADEQ and ADWR requirements). PLEASE ENFORCE COMPLIANCE AND EXPEDIENCY IN THE INSTALLATION OF ARSENIC TREATMENT FOR OUR COMMUNITY. Respectfully, Bill & Mary Meehan Valley Vista home-owners for 10 years
