Dear Copper Valley Telephone Residential Customer,

In November 2014 we sent you a letter explaining that local rates would have to rise this year to comply with Federal Communication Commission's (FCC's) USF Order. The Order requires that local exchange carriers charge a minimum amount for basic telephone service in order to remain eligible to receive the full amount of Universal Service Funds (USF). At that time, we advised that the rate would go up to as much as \$18.00 by June 1, 2016.

The FCC decided that this rate needed to be \$18.00 by June 1. On October 24, 2014, the Arizona Corporation Commission issued Decision No. 74772, which authorized the rate increase to \$18.00 this year and then to as much as \$20.00 by June 1, 2017 and also required us to send you the following additional notice:

**Customers of Copper Valley Telephone, Inc**  
**Notice of Rate Increase**  
**Docket No. T-02727A-13-0458**

On October 24, 2014, the Commission issued Decision No. 74772. This Decision authorized Copper Valley Telephone, Inc. ("Company") to increase the Company's rates for residential local exchange service from the current tariffed rate of \$16.00 to \$18.00 effective June 1, 2016. The new \$18.00 rate is the second of three step increases authorized by the Commission pursuant to a June 10 2014 Federal Communications Commission ("FCC") Order. The FCC Order established a residential local service rate floor of \$20.00 but provides for a phase-in of the rate floor in three steps. The final step increase will become effective June 1, 2017, and will be set at the lower of \$20.00 or the FCC's new residential local service rate floor. The FCC requires the Company to implement these residential local service rate increases or the Company will lose Federal Universal Service Funding on a dollar for dollar basis to the extent that its rates are below the FCC's rate floors. A primary goal of Federal Universal Service funding is to keep local service rates in high cost areas affordable and comparable with rates in urban areas.

If you have any questions, please contact the Company at 800-421-5711, or the Commission's Consumer Services Division at 602-542-4251 or toll free 1-800-222-7000.

Thank you for being a loyal customer, and please let us know if you have any questions.

Sincerely,

Steven D. Metts  
CEO/General Manager  
Valley TeleCom Group
