Dear Name:

Due to changes in the Federal Communications Commission's (FCC) requirements, we will be raising rates for our monthly telephone prices. The below statement, provided by the Arizona Corporation Commission, describes in more detail how the rate increase will work and the dates of when it will go into effect.

Customers of South Central Utah Telephone Association, Inc

Notice of Rate Increase

Docket No. T-01923A-13-0428

On October 24, 2014, the Commission issued Decision No. 74775. This Decision authorized South Central Utah Telephone Association, Inc. ("Company") to increase the Company's rates for residential local exchange service from the current tariffed rate of \$16.00 to \$18.00 effective June 1, 2016. The new \$18.00 rate is the second of three step increases authorized by the Commission pursuant to a June 10, 2014, Federal Communications Commission ("FCC") Order. The FCC Order established a residential local service rate floor of \$20.00 but provides for a phase-in of the rate floor in three steps. The final step increase will become effective June 1, 2017, and will be set at the lower of \$20.00 or the FCC's new residential local service rate floor. The FCC requires the Company to implement these residential local service rate increases or the Company will lose Federal Universal Service Funding on a dollar for dollar basis to the extent that its rates are below the FCC's rate floors. A primary goal of Federal Universal Service funding is to keep local service rates in high cost areas affordable and comparable with rates in urban areas.

If you have any questions, please contact the Company at (888) 826-4211, or the Commission's Consumer Services Division at 602-542-4251 or toll free 1-800-222-7000.

Please contact us if you have any questions concerning this notice at 888-826-4211.

Thank You,

South Central Communications
