Dear Sirs,

This letter is to clarify the Three items on the insufficiency letter dated 4/14/16

- 1) The well was and never has been put on line as of todays date. It was going to be used for irrigation purposes but never has.
- 2) The landowners around the well all have their own vineyards with their own wells. There are no changes thus no need to notify them.
- 3) As stands today there is:
 - 1) 1 5000 gallon storage tank
 - 2) 1 5500 pressure tank
 - 3) 1 7 1/2 horse pressure pump
 - 4) 1 40 horse submersible pump
 - 5) Approx. 1600' of 4" pipe installed
 - 6) 1 electrical panel board

The plant will be left in place at this time

Sincerely, Wayward Winds
