PUBLIC NOTICE OF THE HEARING ON THE APPLICATION OF CIRCLE CITY WATER COMPANY, L.L.C. FOR APPROVAL TO DELETE PORTIONS OF ITS CERTIFICATE OF CONVENIENCE AND NECESSITY AND TO DELETE A REQUIREMENT SET FORTH IN DECISION NO. 68246 (DOCKET NO. W-03510A 13-0397)

On November 19, 2013, Circle City Water Company L.L.C. ("Circle City") filed with the Arizona Corporation Commission ("Commission") an application requesting approval to delete portions of its Certificate of Convenience and Necessity ("CC&N") and to delete the requirement for Circle City in its next rate case filing to demonstrate that its existing customers have been positively impacted by the addition of new water facilities necessary to serve the extension area, pursuant to Decision No. 68246 (October 25 2005). Circle City's application requests deletion of portions of its CC&N encompassing two developments known as Lake Pleasant 5000 and Warwick 160. Circle City's application states that the developments are not viable and that service in the CC&N area will not be necessary in the foreseeable future. The Commission's Utilities Division Staff ("Staff") recommends denial of the Company's application for deletion of portions of its CC&N, but recommends approval of the company's request to eliminate the "positive impact" requirement contained in Decision No. 68246. On October 16 2015, and on November 23, 2015, the Commission held evidentiary hearing on Circle City's application. Subsequent to the hearing, the Commission determined that Circle City had failed to provide public notice of the application. Therefore the Commission has directed the Company to publish this notice to allow interested parties time to file comments on the application and/or to request intervention in this matter. The Commission will issue a Decision regarding the Company's application following consideration of the testimony and evidence presented by the parties. Copies of the application, Staff Report, and any written objections to the Staff Report filed by the company are available at Circle City's offices located at 9079 Riverside Dr., Parker, AZ 85344; at the Commission's Docket Control Center at 1200 West Washington Street, Phoenix, Arizona, and on the internet via the Commission website(www.azcc.gov) using the eDocket function.

Interested parties may file written public comments by mailing a letter referencing Docket No. W-03510A-13-0397 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington, Phoenix, AZ 85007, or by submitting comments on the Commission's website (www.azcc.gov) using the "Submit a Public Comment for a Utility" Function. If you require assistance, you may contact Consumer Services Section at 602-542-4251 or 1-800-222-7000.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you wish to intervene, you must file an original and 13 copies of a written motion to intervene with the Commission and you must send copies of the motion to Circle City or its counsel and to all parties of record in the case. Your motion to intervene must contain the following:

- Your name, address, and telephone number and the name, address, and telephone number of any person upon whom service of documents is to be made if different from yours.
- A short statement of your interest in the proceeding (e.g., a customer or potential

customer of Circle City, a member or shareholder of Circle City, etc.).

- A statement certifying that a copy of the motion to intervene has been mailed to Circle City or its counsel and to all parties of record in the case, and
- If the proposed intervenor is not represented by an attorney who is an active member of the Arizona State Bar, and is not an individual representing himself or herself, information and any appropriate documentation demonstrating the intervenor's compliance with Arizona Supreme Court Rules 31, 38, 39 and 42, as applicable.

The granting of motions to intervene shall be governed by A.C.C. R14-3-105, except that all motions to intervene must be filed on or before April 29, 2016. More information about requesting intervention is available at the Commission's website using the "Intervention in Utility Cases" function.

The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator Shaylin Bernal, e-mail saberna@azcc.gov, voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
