PHOENIX, ARIZONA

TO: Docket Control  
DATE: May 12, 2016  
FROM: Chairman Doug Little's Office  
SUBJECT: New Docket Number Request RR-00000E-16-0152

It has come to my attention that the Federal Railroad Administration has recently released a list of railroad crossings where ten or more incidents have occurred during the last decade. Of the fifteen crossings on that list, five are in Maricopa County (three in Phoenix and two in Glendale.) I am concerned that so many apparently dangerous crossings are concentrated in the Phoenix Metro area. Therefore with this letter I am directing that a new docket be opened titled: "Arizona Corporation Commission Investigation Concerning Arizona Rail Road Crossings with a Historically High Number of Incidents."

Sincerely,

Doug Little  
Chairman  
Arizona Corporation Commission
