*- New or Revised sheet with this filing

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Access Line - An arrangement which connects the Customer's telephone to a Legacy designated switching center or point of presence.

Ancillary Service Charge - Any charge Consumers may be assessed for the use of Inmate Calling services that are not included in the per-minute charges assessed for individual calls.

(N)
(N)

Authorized User - A person, firm, corporation, or any other entity authorized by the Customer to utilize the Carrier's service.

Authorization Code - A pre-defined series of numbers to be dialed by the Customer or Authorized User upon access to the Carrier's Travel Card Service network to identify the caller and validate the caller's authorization to use the services provided.

AZ C.C. - Arizona Corporation Commission.

Company or Carrier - Legacy Long Distance International, Inc. unless otherwise clearly indicated by the context.

Credit Card - This charge applies in addition to the per minute charges for calls billed to a telephone company-issued Calling Card or commercial credit card when the customer dials all of the digits required to route and bill the call.

Customer - The person, firm, corporation or other entity which orders, cancels, amends or uses service and is responsible for payment of charges and compliance with the Company's tariff.

Dedicated Access Origination/Termination - Where access between the customer and the interexchange carrier is provided on dedicated circuits. The cost of these dedicated circuits is billed by the access provider directly to the Customer.

Equal Access - Where the local exchange company central office provides interconnection to interexchange carriers with Feature Group D circuits. In such end offices, customers presubscribe their telephone line(s) to their preferred interLATA carrier.

Jail - A facility of a local, state or federal law enforcement agency that is used primarily to hold individuals who are (1) awaiting adjudication of criminal charges; (2) post-conviction and committed to confinement for sentences of one year or less; (3) post conviction and awaiting transfer to another facility. The term also includes city, county or regional facilities that have contracted with a private company to manage day-to-day operations; privately-owned and operated facilities primarily engaged in housing city, county or regional inmates; and facilities used to detain individuals pursuant to a contract with U.S. Immigration and Customs Enforcement.

(N)
|
|
|
|
(N)

LEC - Local Exchange Company.

Legacy - Used throughout this tariff to refer to Legacy Long Distance International, Inc.

Operator Assisted Call - An intrastate telephone connection completed through the use of the Company's operator.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS (CONT'D.)

Presubscribed Provider of Operator Services - The intrastate provider of Operator Services to which the Authorized User is connected when the Authorized User places a call using a provider of operator services without dialing a special access code.

Prison - A facility operated by a territorial, state or federal agency that is used primarily to confine individuals convicted of felonies and sentenced to terms in excess of one year. The term also includes public and private facilities that provide outsource housing to other agencies such as the State Departments of Correction and the Federal Bureau of Prisons; and facilities that would otherwise fall under the definition of a Jail but in which the majority of inmates are post-conviction or are committed to confinement for sentences longer than one year.

(N)
|
|
|
|
(N)

Provider of Operator Services - Any common carrier that provides operator services or any other person determined by the Federal Communications Commission and/or the Arizona Corporation Commission to be providing operator services.

Real Time Rated - An intrastate call placed with the assistance of an operator, for which charges are collected by an aggregator, normally a hotel or motel, may be a hospital, from the guest or the occupant of the room from which the call originated. A call of this type requires that Legacy communicate the call detail and charges back to the originating location following completion of the call. This service is provided only where authorized by the Aggregator. Calls of this type are rated according to the real time rate schedules herein.

Serving Wire Center - A specified geographic point from which the vertical and horizontal coordinate is used in calculation of airline mileage.

Switched Access Origination/Termination - Where access between the customer and the interexchange carrier is provided on local exchange company Feature Group circuits and the connection to the customer is a LEC provided business or residential access line. The cost of switched Feature Group access is billed to the interexchange carrier.

Third Party Calls - An Operator Assisted call for which charges are billed not to the originating number, but to a third party telephone number which is neither the originating nor the terminating telephone number.

Travel Card Call - A service whereby the Customer or Authorized User dials all of the digits necessary to route and bill a call placed from a location other than his/her residence or normal place of business. Service is accessed via a "1-800" or other access code dialing sequence.

V & H Coordinates - Geographic points which define the originating and terminating points of a call in mathematical terms so that the airline mileage of the call may be determined. Call mileage may be used for the purposed of rating calls.
