Subject: UNISOURCE rate hikes

Dear Chairman Doug Little,

I'm writing you and the ACC requesting the Commission to reject any UNISOURCE rate hikes in any form. In my opinion, UNISOURCE has initiated a typical negotiation scheme. The scheme is to ask all Mohave customers to except "Demand Charges" and once that was turned down, ask for all Solar customers to pay higher rates which is what they wanted in the first place. I'm not a mediator, but that's a bad deal. I urge you to not fall for this scheme. Net-Metering should stay as is and energy cost to Solar owners stay the same.

I attended the ACC public meeting in Lake Havasu covering UNISOURCE rate hikes. I was very pleased with the local residents turn-out.

My name is Stephen Forrester, Lake Havasu City, AZ. 86404 and a roof top solar owner. Thank-you!
