STAFF NOTICE OF FILING
SUPPLEMENTAL RESPONSE

On April 15, 2016, Staff filed its Supplemental Staff Reply in the above captioned rulemaking. Following the submission of Staff's written comments, Staff became aware of additional information that would be responsive to one of the comments that Staff addressed in the filing.

Specifically, regarding Staff's response to Comment 11, Staff has been made aware that PHMSA selected Staff Senior Inspector Bryan Frye to serve on its LNG Critical Task Selection Board ("CTSB"). The CTSB is for the purpose of evaluating and potentially refining the LNG inspection process promulgated by PHMSA's Training and Qualifications Division to train inspectors for use with LNG facilities. Staff believes that the selection of a Staff member to co-direct PHMSA's evaluation of its LNG inspection methods further demonstrates the breadth of Staff's expertise in the regulation of LNG safety matters.

RESPECTFULLY SUBMITTED this 25th day of May, 2016.
