Re: UNS Electric, Inc. – 2016/2017 Electric Energy Efficiency Plan
Docket No. E- 04204A-14-0178

DOCKETED BY

To Whom It May Concern:

On October 27, 2015, the Arizona Corporation Commission (“Commission”) approved UNS Electric, Inc.’s (“UNS Electric” or “Company”) 2015/2016 Energy Efficiency Implementation Plan and Waiver Request (“2015/2016 Plan”) in Decision No. 75297. Pursuant to the Commission’s Electric Energy Efficiency Rules set forth in A.A.C. R14-2-2405.A (“Rule”), UNS Electric is required to submit by June 1 of each odd year, or annually at the election of the Company, an implementation plan describing how the utility intends to meet the energy efficiency standard for the next one or two calendar years, as applicable.

Pursuant to discussions between UNS Electric and the Commission’s Utilities Division (“Staff”), UNS Electric hereby notifies the Commission that the Company has decided to not file a 2017 implementation plan and will continue its 2015/2016 Plan through 2017 without change.¹ UNS Electric will file its 2018 Implementation Plan by June 1, 2017 in accordance with the Rule.
