Please stop allowing APS to contribute millions of dollars to different charities. Please eliminate that line item from their expenses. I am asking you to do this for me because you are the legitimate regulatory agency for them. First and most obviously it raises my rates. Why should the ratepayers, APS only source of revenue, pay for their PR? Secondly, When APS makes these contributions they are the decisions of the APS management. It does not allow the ratepayers any opportunity to determine who gets the charitable donations. The APS management should not have that sole authority.
