RE: Docket No. W-02⁵18A-13-0414

Purchased Water Adjustor Surcharge Calculation - Compliance Control

Sirs:

During the calculation of our Purchased Water Adjustor Mechanism for 2016, an error was identified in the assessment of the Monthly Customer Base Rate Surcharge approved for 2015. The monthly Surcharge Rate approved by the Commission was \$1.02, however, customers have been assessed \$1.08. As a result, customer accounts will be adjusted and appropriate credit(s) will be applied to each account.

It is worth noting that no customer has brought this error to the attention of the Water Company and we are voluntarily correcting customer accounts. Additionally, a notice of adjustment will be notated on the next water bill and the correct rate will be in effect for the current billing cycle.

Please feel free to contact me at 801-388-6941 if you have any questions or concerns.

Thank you,

Michael A. Glover, President
