COMMISSIONER DOUG LITTLE'S PROPOSED AME

DATE PREPARED: June 22, 2016

COMPANY: Arizona Corporation Commission Investigation into Potential Improvements to its Water Policies.

DOCKET NO(S): W-00000C-16-0151

OPEN MEETING DATE: JUNE 24, 2016

Amendment to "Discussion of Policy Recommendations for the Water and Wastewater Industries"

Page 11, INSERT after line 36:

This policy statement applies to class D and E water utilities. This does not imply anything about the Commission's view towards rate consolidation for larger water utilities or waste water companies. We see a need to express a clear policy regarding small water utilities because of the historical problems they have had. Rate consolidation may or may not be appropriate for larger water utilities and for waste water utilities. Rate consolidation proposals for larger water utilities and for waste water utilities should be evaluated on a case by case basis based on the facts of each case.

Make all conforming changes.
