COMMISSIONER TOM FORESE PROPOSED AMEND

TIME/DATE PREPARED: Friday, June 24, 2016

COMPANY: Arizona Corporation Commission Investigation into Potential Improvements to its Water Policies

DOCKET NO.: W-00000C-16-0151

OPEN MEETING DATE: June 24, 2016

Amendment to "Discussion of Policy Recommendations for the Water and Wastewater Industries"

AT PAGE 11

INSERT after line 36:

Nothing in this section is to be construed as to disallow this general policy from being applied to larger classes of utilities that own Class D and E water and wastewater utilities. The Commission makes no comment here as to the general policy of consolidation that does not involve Class D and E water and wastewater utilities.

Nothing in this section is to be construed as to disallow Commission discretion in any rate case, required administrative procedures, and the legal rights of rate case participants. Even though this section suggests a general policy recommendation solely towards cases that involve Class D and E water and wastewater utilities, every rate case will be decided on its individual merits.
