Nature Of Opinion

Docket Number: SW-04316A-16-0085

Docket Position: Against

We already pay one of the highest rates in the state and it isn't fair for our community to bare any additional cost just because the plant isn't making the profit they had envisioned. They took the gamble on the investment based on predicted home growth and we should not be held responsible to bail them out. It also been reported that the parent company is still making mass profits.
