Re: Docket Number E-01345A-16-0176

Dear Ms. Mecca,

Hamilton Consulting, Inc. represents clients involved in the utility industry. For this reason, I am writing to request that we be added to the service list for Docket Number E-01345A-16-0176. We do not wish to be listed as an intervener. We simply want to receive any and all information relating to this docket.

Thank you for your consideration.

Sincerely,

Carly Ann Fleege
