Subject: Reject new SSVEC fixed fees!

Dear Commissioner Arizona Corporation Commission,

I urge you to reject Sulphur Springs Valley Electric Cooperative's proposal in docket E-01575A-15-0312.

I am one of the solar homeowners in the SSVEC system. I am one of the 40% of solar owners that are NOT net zero. I pay approximately \$60/mo on average to SSVEC! How can you make me give them \$50/mo more when I AM PAYING MY FAIR SHARE INTO THE SYSTEM? There are more that 400 others who fall into this category. SSVEC's proposal ignores us and because of that you cannot in all fairness accept their proposal!!!

Attempting to collect lost revenue from your ratepayers who are elderly, on fixed incomes, or low-income is just bad business. A 143% increased fixed fee on the residential class is also detrimental to these residents as it is to the solar customers.

I urge you to reject this proposal. Please protect the interests of the cooperative's members. These drastic fee increases are not in our best interest.

Regards,

Timothy Doyle
