Company: Johnson Utilities L.L.C. dba Johnson Utilities Company

Division: Water\*

Nature Of Opinion

Docket Number: WS-02987A-16-0239

Docket Position: For

This is in Favor For Ted Becker on Docket # WS -029871-16-0239. Once again the Arizona Corporation Commission is being provided evidence of the negative impact that Johnson Utilities is having on the people in this community. I truly do not know how much evidence the ACC needs to receive to take seriously the plight of the people within the CC&N. If Johnson Utilities cannot fulfill the promises that he made before the ACC more than a year ago then it is time for the ACC to take action and show Johnson Utilities that the needs of the people are more important that his need to control their lives thru water. What Johnson Utilities is doing is unacceptable and it is unacceptable to allow them to continue the lies and false promises. Give these people relief and force JU to reinstate the stand pipe or lay the water lines. If he is unwilling to do within a timely manner then allow another company to come and provide the necessary water.
