Nature Of Opinion

Docket Number: G-01551A-16-0107 Docket Position: Against

Gentlemen: I understand that utilities want more money; whether it's for equipment, infrastructure or CEO's pockets. These people, these companies have to understand that we, the residents of Arizona, have not received an increase in wages or Social Security in over 3 years. We also do not have a Money Tree. The proposed rates will directly and substantially impact my household budget. We live on a small, fixed income, and cannot afford the proposed increase. Sincerely, Barry Spinka
