RE: Request to Intervene in Clear Springs Utility Company rate case
Docket No. W-01689A-16-0187

My name, address, and telephone number are provided below. All documents should be served upon me.

I request to intervene in the Clear Springs Utility Company rate case because I am a residential customer of Clear Springs Utility Company, and the proposed rates will directly and substantially impact my household budget. I live on a small, fixed income, and I cannot afford the proposed increase.

My intervention would not unduly broaden the issues in that case because my concerns are directly related to the rates and charges proposed by Clear Springs Utility Company and already at issue in the case.

I understand that a hearing is in the process of being scheduled.

I am representing myself as an individual.

Sincerely,

Jeanine Paterson

CLEAR SPRINGS UTILITY RATE CASE

Opinion:
I FEEL AN INCREASE OF 85% FOR WATER USAGE IS <u>OUTRAGEOUS</u> . The Company has not, in my opinion, has not properly MAINTAINED WATER EQUIPMENT. I understand many FIRE HYDRANTS ARE NOT OPERABLE. WATER PRESSURE VARIES, & ONE WELL HAS BEEN REPORTED INOPERABLE. WE NEED CORRECTION OF THESE PROBLEMS!
