Docket #: WS01303A-16-0145

Dear Commissioners

As a Sun City EPCOR ratepayer I strongly object to EPCOR's recommendation for full consolidation of its waste water districts.

EPCOR shows their cost of service for our district is approximately \$25 per month and the consolidated rate would be more than \$40 per month for our district ratepayers.

We have lived in Sun City for 19 years and this is the most unfair rate we have faced. On fixed incomes this would be a heavy burden on our budget!

We are not happy with foreign companies owning our Sun City system.

Sincerely,

Richard L. Davis

Dear Commissioner:

Docket No. WS-01303A-16-0145

As EPCOR ratepayers and Sun City residents, we strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25 per month, and the consolidated rate would be more than \$40 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts—a socialist approach! This is the USA, after all.

Please **vote against full consolidation!**

RE: WS-01303A-16-0145

Dear Commissioner Little:

I am an EPCOR ratepayer and a Sun City resident. I strongly object to EPCOR's recommendation for full consideration of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25/month and the consolidated rate would be over \$40/month for our district ratepayers. I find this totally unreasonable.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. I firmly believe that we should not be forced to subsidize the other districts. This is the USA after all.

I ask that you *please vote against "full consolidation"*.

Respectfully,

Dear Commissioner,

As an EPCOR ratepayer and Sun City resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approx. \$2500 per month and the consolidated rate would be more than \$40,000 per month for our district ratepayers.

Our generation has never shielded away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts. This is the U.S.A, after all, and I vote against the consolidation.

Respectfully
Suzanne W. Penz
