Commission Staff:

Enclosed for filing are an original and thirteen (13) copies of revisions to AT&T Corp. Custom Network Services Tariff. The pages have an issue date of August 1, 2017 and a requested effective date of September 1, 2016.

This project removes all reference to Bill to a Third Number, Busy Line Verify/Interrupt, Collect and Person to Person. These services were previously discontinued on March 18, 2016.

Please direct any questions regarding this filing to me, Donna Daniele, I may be reached via telephone at 209-551-2571 or via email at dg1612@att.com.

Thank you for your assistance in this matter.

Sincerely,

Donna M. Daniele

CANCELS 1ST REVISED PAGE 1

1. APPLICATION OF TARIFF

1.1 APPLICATION

1.1.1 General

This Tariff contains the regulations, rates and charges applicable to intrastate telecommunications services furnished by AT&T Corp. in the State of Arizona.

Effective July 31, 2001 all references herein to AT&T FCC Tariffs, insofar as the service offering set forth in the AT&T FCC tariffs have been or become detariffed, shall be construed to be references to the AT&T Business Services Guides located at <http://www.att.com/serviceguide/business>

Customers subscribing to both interstate and intrastate long distance service may be charged interstate fees in addition to the charges listed in this tariff. See AT&T's Business Service Guide website located at [www.att.com/serviceguide/business](http://www.att.com/serviceguide/business) for an explanation of interstate fees.

1.1.2 Jurisdiction

Jurisdiction refers to the classification of a Custom Network Service call as intrastate or interstate. Jurisdiction is a matter of law, not of Carrier discretion or policy, or Customer preference. The Law describing what constitutes interstate jurisdiction is the Communications Act of 1934, as amended. Some portions of this service are only subject to the jurisdiction of the Federal Communications Commission. This section covers the portion of this service that is subject to the Arizona Corporation Commission's Jurisdiction.

3.2 RATES AND CHARGES

3.2.5 NON-SUBSCRIBER SERVICE CHARGE

A service Charge is applicable to domestic Dial Station, Operator Station or Real Time Rated Calls billed to business lines which are presubscribed to an interexchange carrier other than AT&T, or not presubscribed to any interexchange carrier. The service charge is in addition to the usage charges and any applicable service charges for operator handled calls as specified in the Price List.

(D)

The Non-Subscriber Service Charge does not apply to: calling card calls, intraLATA calls; conference calls, calls to AT&T Directory Assistance, 800 or 900 telephone numbers; calls using Telecommunications Relay Service; calls originated from cellular phones; or calls billed to business lines which have discontinued presubscription to AT&T but for whom an active billing record still exists in AT&T billing system.

AT&T will credit any Non-Subscriber Service Charges reported by newly presubscribed AT&T Customers during the period between presubscription and administrative processing of the new Customer. AT&T will also credit any Non-Subscriber Service Charges reported by Customers during an F.C.C. reportable incident of service outage by another interexchange carrier. To receive either of these credits, Customers must contact AT&T through an 800 number designated for billing inquiries. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at AT&T's discretion.

Refer to AT&T's Arizona Telecommunications Services Tariff, Section 4 for rate.

3.2.6 DIRECTORY ASSISTANCE

The rates and regulations for charges on calls to Directory Assistance are specified in Section 21 of the Custom Network Services Tariff.
