Chairman Little's office received 8 letters referencing, and in opposition, to the above docket number. The letters can be viewed via the Docket link on the website, or in Docket.

RECEIVED
AZ CORP COMMISSION
DOCKET CONTROL
2016 JUL 29 P 12: 06

7/24/16

Dear Doug Little,

Regarding Docket No. WS-01303A-16-0145.

As a customer of EPCOR and resident of Sun City,
I strongly object to EPCOR's recommendation
for full consolidation of EPCOR water districts.
We should not be expected to subsidize any
other districts. Totally unfair.

It would be like asking other districts to help
us pay for our electricity.

David Bartlett
Sun City, 85351

Re: Docket # WSD1303A-16-0145

As an EPCOR ratepayer and Sun City/Youngstown resident I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

We should not be forced to subsidize the other districts.
After all, this is the USA.

Please "vote against full consolidation"

Carolyn Mincola

Commissioner Doug Little
Arizona Corporation Commission
Commissioners Wing

Phoenix, Az. 85007-2996

Dear Commissioner Little:

As an EPCOR ratepayer and Sun City resident, I strongly object the EPCOR's recommendation for full consolidation of the wastewater districts. *WG-01303A-16-0145*

As a Sun City resident, don't think this was fair of the Commission to come up with this issue, when most of the residents of Sun City are snowbirds. They aren't aware, nor, do they have a right to comment one way or another.

Sun City residents have no children living in their home, therefore, less water or wastewater is used by these residents. When many are living on fixed incomes, this will make it harder for them to get by each month. Why should we pay for larger families and larger homes?

Sure, we don't shied away from our responsibilities, but object to being forced to subsidize for other districts especially when our income is limited. This isn't fair to Sun City or Youngstown residents as stated by Shawn Bradford, EPCOR Corporate Vice President.

Please say "NO" when voting for consolidation.

Thank you for your consideration to this matter.

Sincerely,

Docket N.
WS-01303A-16-0145

623-738-7898

July 26, 2016

TO WHOM IT MAY CONCERN:

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR'S recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25 per month and the consolidated rate would be more than \$40 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts. This is the USA, after all.

Please "vote against full consolidation!"

Sincerely:

Gary and Lilia Bell

July 23, 2016

Dear Commissioners,

We are writing regarding docket #WS01303A-160145-, EPCORs recommendation to consolidate the water utility districts.

As Sun City home owners, we strongly object to this proposed consolidation. Raising our utility expenses by over 50% to finance someone else's deferred maintenance is definitely contrary to the best interests of fixed income recipients.

We strongly urge you and the commission to reject this EPCOR request.

Sincerely,

Marjorie Richmond

Re: Docket No. WS-01303A-16-0145

Gentlemen:

As EPCOR rate payers and Sun City residents, we strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts. EPCOR shows their cost of service for our district as approximately \$25 per month and the consolidated rate would be more than \$40 per month for our district rate payers.

We are on a fixed income relying solely on social security for our monthly expenses. It would be different if we had received an "increase" in our social security this year; however, as you probably know, that didn't happen.

Also, we live in Sun City - - - almost half of the residents here are winter visitors, so I don't see why those individuals have to be subjected to paying for other districts when they aren't even here!

This is a socialist approach - we should not be forced to subsidize the other districts. It's as if we don't even get a vote on this matter, but yet we will be forced to pay if it is consolidated.

We are against full consolidation.

Sincerely,

Don and Sheri Buffington

Re: Docket No. WS-01303A-16-0145

Dear Commissioner Little:

As an EPCOR ratepayer and Sun City resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25 per month and the consolidated rate would be more than \$40 per month for our district ratepayers. Sun City and Youngtown would be the only district forced to incur an increase. Most of the residents are living on a fixed income and we are single dwelling homes or condos without children, therefore we use much less water than other districts. The other districts such as Anthem, Agua Fria and Mohave are residents with children and therefore much more water is used by those households. Why should we have to consolidate and pay for their excess water/waste usage?

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts especially when most of us are retired and living on the retirement and social security checks we have earned. This does not bring fairness and greater efficiency to the Sun City/Youngtown residents as stated by Shawn Bradford, EPCOR Corporate Services vice president . This is the USA.

PLEASE **"vote against full consolidation"**.

Thank you for your consideration to this matter.

Sincerely,
