INSERT new paragraph:

“While we believe it is important to incorporate the results of the Value of DG docket into our consideration of the DG issues specific to UNSE, we also believe that the second phase of this proceeding should not be unnecessarily delayed. Thus, we direct the Hearing Division to convene a procedural conference in this docket no more than 10 days after an order is issued in the Value of DG docket. We also direct that pre-filed testimony and the hearing (if necessary) for the second phase of this docket be scheduled to commence as quickly as possible. In no case should a final Commission determination of the DG issues in this docket take place later than the March 2017 Open Meeting. If a Commission Order is not issued in the Value of DG docket in a timeframe that allows for such resolution of this docket, the Commission will reconsider whether the Value of DG docket must be completed before the second phase of this docket commences.”
