**Subject:** RE Docket WS-01303A-16-0145

As an EPCOR ratepayer and Sun City resident, I strongly object to EPCOR'S recommendation for full consolidation of the EPCOR wastewater districts. EPCOR shows their cost for the Sun City district at approximately \$25.00 per month. But consolidation would result in a rate of approximately \$41.00 per month for Sun City ratepayers. In effect, we would be asked to pay an additional \$16.00 per month to subsidize other districts. While we are perfectly prepared to pay for costs we incur, we should not be forced to subsidize other EPCOR wastewater districts.

Sincerely,

Richard Kenney

RE Docket WS-01303A-16-0145

Dear Commissioner,

Re: Docket No. WS-01303A-16-0145

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCO shows their cost of service for our district is approximately \$25 per month and the consolidated rate would be more than \$40 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts.

Please "vote against the full consolidation!.

Thank you for your time,

Re: Epcor Water Company

Dear Mr. Little:

PLEASE, PLEASE do not allow Epcor to consolidate Sun City with the rest of the areas they serve. They are asking us to pay for water used elsewhere and construction costs. Sun City has paid their fair share; we do not want to pay for other peoples' usage.

I am handicapped so it makes much too much difficulty to attend the meetings. This is my voice.

I am also living on Social Security plus \$300.00 from my IRA. I am sure I am not the only one in Sun City struggling.

Thanks for your help.

Dear Doug Little:

RE: DOCKET No. WS-01303A-16-0145

I am a Sun City resident since 1983 and an Epcor ratepayer, and strongly oppose their consolidation of wastewater districts. We should not be forced into having to pay for this expansion of their company, or to subsidize these districts. (This is not a Socialist country (yet) and should be illegal.)

I have checked my records and noted that through 2007 our rate was \$11.01  
2008 rate increased to 13.72  
(Epcor) 2011 " " to 18.14  
" 2015 " " to 22.16

In 7 yrs.  
at \$11.01 per mm.  
is a BIG increase!

With all the new homes and customers in this area the Co. must be prospering.

I hope you will consider the age and financial situation of most of our community and keep Epcor from their plans. VETO! We will thank you if you do.

Sincerely,

Anita Bock

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

Please "vote against full consolidation"!
