Docket Number: E-04204A-15-0142 Docket Position: For

Subject: Reject the UNS proposal to eliminate net metering!

Dear Arizona Corporation Commission,

Thank you for supporting energy choice in Arizona by rejecting confusing and unfair new rate schemes proposed by UNSE (Docket E-04204A-15-0142). I am not yet a solar owner, but am actively considering it, and your decision helps my decision. I am a strong believer in utilizing clean natural resources for energy, and if energy production can be accomplished by the citizens, this is the right thing to do. Thank you for helping us to be able to economically justify being able to produce clean energy.

Regards,

Joel Van Over
