Received 10 emails in opposition all with similar wording/thoughts as the following:

Dear Arizona Corporation Commission,

Thank you for supporting energy choice in Arizona by rejecting confusing and unfair new rate schemes proposed by UNSE (Docket E-04204A-15-0142). The UNSE proposal was a dramatic departure from the progress Arizona has made in creating new, affordable choices for residents.

I hope the ACC continues to support solar and maintain policies that provide solar choice and allow the solar industry to do business and create jobs in our state.

Thank you again for listening to the people of Arizona.
