Re: Docket No. WS-01303A-16-0145

As an EPCOR rate payer and Sun City resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR waste water district.

The increase of \$16.00 a month is unacceptable.

As treasurer of Delmeras Condo Assn., \$1024.00 would be too much of an increase for our association. We have many residents living on lower fixed incomes. The necessary increase in condo monthly dues would be a hardship.

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25 .00 per month and the consolidated rate would be over \$40.00 per month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts.

Re: Docket WS-01303A-16-0145

Sir:

As an EPCOR ratepayer and Sun City resident, we strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district currently is approximately \$25.00 per month as opposed to the \$40.00 per month for our district ratepayers if the consolidation is adopted.

Our generation has never shied away from the responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts.

We ask you to vote against the consolidation.

Thanking you for your NO vote on consolidation, we are,

Yours truly,

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR'S recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers. I am already paying \$40.00/month just for water, and I live alone. Another \$40.00/month is over the top.

Current rate payers should pay only legitimate costs of providing service to them by EPCOR. To force us to subsidize other district ratepayers beyond EPCOR'S cost to do so is well beyond being just and reasonable and is without justification.

Please vote **against Full Consolidation.**

Respectfully submitted,

As an Epcor ratepayer and Sun City resident, I strongly object to Epcor's recommendation for full consolidation of Epcor wastewater districts.

Epcor shows their cost of service for our district is about \$25.00 per month and the consolidation rate would be about \$42.00. Most Sun City residents are of fixed incomes. We should not be forced to subsidize the other districts so they can pay less and us pay double.

I urge you to vote against full consolidation, Docket # WS-01303A-16-0145.

I am an 8 1/2 year resident of Sun City and strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows and has published their cost of service for our district as approximately \$25/month and the consolidation rate would be more than \$40/month for Sun City ratepayers,

Those of us in Sun City have never expected to pay less than our share for the costs that we incur.

In Sun City, we tend to be 50% single households who were raised on conserving our resources.

We should not be forced to subsidize the other districts with higher water demand households that average 2 adults, 2 or more children, larger homes, 2-3 + bathrooms, grass, trees, swimming pools, spas, and a less conservative mindset.

I urge you as a registered voter to please listen to your constituents and vote no on Docket No. WS-01303A-16-0145.

Thank you for your time.

Re: Decret No. WS-81363A-16-0145

Epcor's belief in consolidation of Sun City, Youngtown, Agua Fria, Anthem, Mohave and Sun City West. The COA Board believes this is not equal for our districts.

Sun City + Youngtown should not be required to subsidize the other districts because of their long-range plans for the cost of their waste water.

The Sun City COA Board is not in favor of the consolidation plan. It should be a stand alone plan.

As an Epcor "ratepayer" and "Sun City" resident, I strongly object to Epcor's recommendation for full consolidation of the Epcor wastewater districts.

Epcor shows their cost service for our district is approximately \$25 per month & the "consolidation rate" would be more than \$40 per month for district ratepayers! We all earn our way & pay our costs.

We should not be forced to subsidize the other districts!

Now hear this!

Sincerely, James McCormick

AS AN EPCOR RATEPAYER AND SUN CITY RESIDENT, WE STRONGLY OBJECT TO EPCOR'S RECOMMENDATION FOR FULL CONSOLIDATION OF THE EPCOR WASTEWATER DISTRICTS.
