WS001303A-16-0145. I strongly oppose Sun City water to be combined with other communities to share their cost. We in Sun City live on limited Social Security benefits and haven't had a raise for a number of years. Where do I/We come up with additional money to pay another community's water???? What are you thinking? I live on \$940.00 a month and am barely able to buy groceries and I should pay for Anthem and Youngtown, etc. water when they have families and water falls and fountains decorating their communities?? Give us a break that we can afford. Please vote NO oin this and keep my poor life style already manageable. Thanks, Jean Crawford

Nature Of Opinion

Docket Number: WS-01303A-16-0145 Docket Position: Against

As an EPCOR ratepayer and Sun City/Youngtown resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts. EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers. Our district consists mainly of elderly citizens that have already been bombarded with excessive costs and dwindling funds from savings and investments. Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur. We should not be forced to subsidize the other districts. This is the USA after all.
