# PUBLIC NOTICE OF HEARING ON ARIZONA PUBLIC SERVICE COMPANY'S APPLICATION FOR A PERMANENT RATE INCREASE (DOCKET NO. E-01345A-16-0036)

## Summary

On June 1, 2016, Arizona Public Service Company ("APS" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for a permanent base rate increase. The application seeks a \$165.9 million net increase in base rates. Among other things, the application also seeks changes in some of its adjustor mechanisms; seeks to establish a new residential and small commercial rate design that moves away from current two-part volumetric rates to three-part demand-based rates; seeks to reduce on-peak time-of-use hours; and seeks to grandfather existing solar customers while modifying net metering arrangements for new solar customers. Pursuant to Commission Decision No. 75047 (April 30, 2015), issues related to APS's proposed Automated Meter Opt-Out Service Schedule will be addressed in the rate case proceeding.

The requested gross base rate increase is the sum of three parts: (1) a non-fuel increase of \$227.6 million; (2) the revenue-neutral transfer into base rates of \$267.6 million currently being recovered through adjustor mechanisms; and (3) a decrease in base fuel costs of (\$61.7 million). The net percentage impact of the Company's request on customer bills will be an increase of approximately 5.74% on average. **The actual percentage rate increase for individual customers that would result from the application will vary depending upon the type and quantity of service provided.**

**THE COMMISSION'S UTILITIES DIVISION ("STAFF") IS IN THE PROCESS OF REVIEWING AND ANALYZING THE APPLICATION. NEITHER STAFF NOR ANY INTERVENOR HAS YET MADE ANY RECOMMENDATION REGARDING APS'S REQUEST. THE COMMISSION IS NOT BOUND BY THE PROPOSALS MADE BY APS, STAFF, OR ANY INTERVENORS. THE COMMISSION WILL DETERMINE THE APPROPRIATE RATEMAKING TREATMENT OF THE REVENUES AND EXPENSES RELATED TO APS'S APPLICATION BASED ON THE EVIDENCE PRESENTED IN THIS PROCEEDING. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY APS OR BY OTHER PARTIES.**

If you have any questions concerning how the Application may affect your bill or other substantive questions about the Application, you may contact the Company at its office at 400 N. 5th Street, Phoenix, Arizona, 85004, Attn: Manager State Regulation and Compliance, call (602) 250-2767, or email [ratecase@aps.com](mailto:ratecase@aps.com).

## About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. **Intervention is not required if you want to appear at the hearing and provide public comment on the Application, or if you want to file written comments in the record of the case.**

To request intervention, you must file an **original and 13 hard copies** of a written request to intervene with Docket Control, 1200 West Washington, Phoenix, AZ 85007, **no later than November 10, 2016**. You also must serve a copy of the request to intervene on each party of record on the same day that you file the request to intervene with the Commission. **Information about what intervention means, including an explanation of the rights and responsibilities of an intervenor, is available on the Commission's website ([www.azcc.gov](http://www.azcc.gov)) using the "Intervention in Utility Cases" link.** The link also includes sample intervention requests.

If you choose to request intervention, your request must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any person upon whom service of documents is to be made, if not yourself;
2. A reference to **Docket No. E-01345A-16-0036**;
3. A short statement explaining:
  - a. Your interest in the proceeding (e.g., a customer of APS, etc.);
  - b. How you will be directly and substantially affected by the outcome of the case, and
  - c. Why your intervention will not unduly broaden the issues in the case;
4. A statement certifying that you have served a copy of the request to intervene on APS or its attorney and all other parties of record in the case; and
5. If you are not represented by an attorney who is an active member of the Arizona State Bar, and you are not representing yourself as an individual, sufficient information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31, 38, 39, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C R14-3-105, except that all motions to intervene must be filed on or before November 10, 2016.

# PUBLIC NOTICE OF HEARING ON ARIZONA PUBLIC SERVICE COMPANY'S APPLICATION FOR A PERMANENT RATE INCREASE (DOCKET NO. E-01345A-16-0036)

**SUMMARY**  
On June 1, 2016, Arizona Public Service Company ("APS" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for a permanent base rate increase. The application seeks a \$165.9 million net increase in base rates. Among other things, the application also seeks changes in some of its adjuster mechanisms; seeks to establish a new residential and small commercial rate design that moves away from current two-part volumetric rates to three-part demand-based rates; seeks to reduce on-peak time-of-use hours; and seeks to grandfather existing solar customers while modifying net metering arrangements for new solar customers. Pursuant to Commission Decision No. 75047 (April 30, 2015), issues related to APS's proposed Automated Meter Opt-Out Service Schedule will be addressed in the rate case proceeding.

The requested gross base rate increase is the sum of three parts: (1) a non-fuel increase of \$227.6 million; (2) the revenue-neutral transfer into base rates of \$267.6 million currently being recovered through adjuster mechanisms; and (3) a decrease in base fuel costs of (\$61.7 million). The net percentage impact of the Company's request on customer bills will be an increase of approximately 5.74% on average. The actual percentage rate increase for individual customers that would result from the application will vary depending upon the type and quantity of service provided.

**THE APPROPRIATE RATEMAKING TREATMENT OF THE REVENUES AND EXPENSES RELATED TO APS'S APPLICATION BASED ON THE EVIDENCE PRESENTED IN THIS PROCEEDING. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY APS OR BY OTHER PARTIES.**

If you have any questions concerning how the Application may affect your bill or other substantive questions about the Application, you may contact the Company at its office at 400 N. 5th Street, Phoenix, Arizona, 85004. Attn: Manager State Regulation and Compliance, call (602) 250-2767, or email [ratecase@aps.com](mailto:ratecase@aps.com).

**About Intervention**  
The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. Intervention is not required if you want to appear at the hearing and provide public comment on the Application, or if you want to file written comments in the record of the case.

To request intervention, you must file an original and 13 hard copies of a written request to intervene with Docket Control, 1200 West Washington, Phoenix, AZ 85007, no later than November 10, 2016. You also must serve a copy of the request to intervene on each party of record on the same day that you file the request to intervene with the Commission. Information about what intervention entails, including an explanation of the rights and responsibilities of an intervenor, is available on the Commission's website ([www.azcc.gov](http://www.azcc.gov)) using the "Intervention in Utility Cases" link. The link also includes sample intervention requests.

If you choose to request intervention, your request must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any person upon whom service of documents is to be made, if not yourself;
2. A reference to Docket No. E-01345A-16-0036;
3. A short statement explaining:
  - a. Your interest in the proceeding (e.g., a customer of APS, etc.);
  - b. How you will be directly and substantially affected by the outcome of the case; and
  - c. Why your intervention will not unduly broaden the issues in the case;
4. A statement certifying that you have served a copy of the request to intervene on APS or its attorney and all other parties of record in the case; and
5. If you are not represented by an attorney who is an active member of the Arizona State Bar, and you are not representing yourself as an individual, sufficient information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31, 38, 39, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R 14-3-105, except that all motions to intervene must be filed on or before November 10, 2016.

**THE COMMISSION'S UTILITIES DIVISION ("STAFF") IS IN THE PROCESS OF REVIEWING AND ANALYZING THE APPLICATION. NEITHER STAFF NOR ANY INTERVENOR HAS YET MADE ANY RECOMMENDATION REGARDING APS'S REQUEST. **Summary**

On June 1, 2016, Arizona Public Service Company (APS or Company) filed an application with the Arizona Corporation Commission ("Commission") for a permanent base rate increase. The application seeks a \$165.9 million net increase in base rates. Among other things, the application also seeks changes to some of its regulator mechanisms: seeks to establish a new residential and small-commercial rate design that moves away from current two-part volumetric rates to three-part demand-based rates; seeks to reduce on-peak time-of-use hours; and seeks to grandfather existing solar customers while modifying net metering arrangements for new solar customers. Pursuant to Commission Decision No. 75047 (April 30, 2015), issues related to APS's proposed Automated Meter (On-Off Service Schedules will be addressed in the rate case proceeding.

The requested pass base rate increase is the sum of three parts: (1) a non-fuel increase of \$227.5 million; (2) the revenue-neutral residential base rates of \$207.6 million currently being recovered through regulator mechanisms; and (3) a decrease in base fuel costs of (\$68.7 million). The net percentage impact of the Company's request on customer bills will be an increase of approximately 5.74% on average. The actual percentage rate increase for individual customers that would result from the application will vary depending upon the type and quantity of service provided.

**THE COMMISSION'S UTILITIES DIVISION (STAFF) IS IN THE PROCESS OF REVIEWING AND ANALYZING THE APPLICATION. NEITHER STAFF NOR ANY INTERVENOR HAS YET MADE ANY RECOMMENDATION REGARDING APS'S REQUEST. THE COMMISSION IS NOT BOUND BY THE PROPOSALS MADE BY APS, STAFF, OR ANY INTERVENORS. THE COMMISSION WILL DETERMINE THE APPROPRIATE RATE-MAKING TREATMENT OF THE REVENUES AND EXPENSES RELATED TO APS'S APPLICATION BASED ON THE EVIDENCE PRESENTED IN THIS PROCEEDING. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY APS OR BY OTHER PARTIES.**
