Nature Of Opinion

Docket Number: WS-01303A-16-0145 **Docket Position:** Against

As part of the community that uses less water and sewer than most of EPCOR's service area I resent having to subsidize the other portion of their customers at the cost of my fixed income that is shrinking all the time. EPCOR needs to charge those that use more MORE and not penalize those who conserve and use less.

Nature Of Opinion

Docket Number: WS-01303A-16-0145 **Docket Position:** Against

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts. EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers. Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur, but social security only goes so far. We should not be forced to subsidize the other districts. This is the USA after all. Please "Vote against full consolidation"!
