Dear Mr. Little:

As an EPCOR ratepayer and **Sun City** Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

EPCOR shows their cost of service for our district is approximately \$25.00/month and the consolidated rate would be over \$40.00/month for our district ratepayers.

Our generation has never shied away from our responsibility to earn our way and pay for the costs we incur.

We should not be forced to subsidize the other districts. This is the USA after all.

Please "vote against full consolidation"!

Respectfully submitted,

Dear Mr. Little:

As an EPCOR ratepayer and Sun City Resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Full consolidation puts an overwhelming burden on the citizens of Sun City and Youngtown by overcharging us for costs of infrastructure not yet in service. Rather, our limited income is sent to other communities who simply wish cheaper costs. This is clearly a violation of acceptable ratemaking.

Please vote against full consolidation.

As an EPCOR ratepayer and Sun City resident, I strongly object to EPCOR's recommendation for full consolidation of the EPCOR wastewater districts.

Mr. Little:

I'm sorry if you received this twice, but my previous email did not have the subject line included, and I want to make sure you receive this.

I am ~~opposed~~ to any rate consolidation in the above case. I live in Sun City West, and believe that cost ~~causers~~ should be the cost payers. I hope you and the other ACC commissioners will agree, and allow Sun City West to continue as we are today, paying our own way for any future system upgrades to our currently paid-for treatment plant and system.
