Subject: Reject the UNS proposal to eliminate net metering!

Dear Arizona Corporation Commission,

Thank you for supporting energy choice in Arizona by rejecting confusing and unfair new rate schemes proposed by UNS (Docket E-04204A-15-0142). The UNSE proposal was a dramatic departure from the progress Arizona has made in creating new, affordable choices for residents.

I hope the ACC continues to support solar and maintain policies that provide solar choice and allow the solar industry to do business and create jobs in our state.

Thank you again for listening to the people of Arizona.

Regards,

Danielle Voogd
