IV. CUSTOMER WATER CONSUMPTION INFORMATION SHARING  
WITH FOUNTAIN HILLS SANITARY DISTRICT, WASTEWATER PROVIDER

Chaparral City Water Company ("Company") is authorized to share water consumption information of individual customers with Fountain Hills Sanitary District ("Sanitary District"), a municipal provider of wastewater service for common customers purchasing water from the Company and wastewater from the Sanitary District. The purpose of this Tariff, and the authorized provision of customer water consumption information, is to assist the Sanitary District in billing for wastewater utility services. The Sanitary District agrees that it is only authorized to use such water consumption information for purposes of wastewater services billing and is not authorized to disclose such information to any other party except as may be required by law.

The Company entered into an Agreement with the Sanitary District for providing individual water consumption data, in a form materially similar to the standard form agreement. The Agreement was subject to Arizona Corporation Commission ("Commission") review as set forth in Section 4 of the agreement.

The Company shall notify all water utility customers affected by an agreement between the Company and the Sanitary District pursuant to this Tariff, by means of a billing insert during the first billing cycle immediately after said tariff is approved.
