Kay,

Below is what I received from Jeff Crockett as the address that should be listed in the two water policy docket (W-00000C-16-0151 and RU-00000A-16-0300). Is this enough for you to be able to change his address in these two dockets?

Thanks.

Ranelle

Thanks Ranelle. If Docket Control can update my address on the service list without me filing something, that would be great. My current address is below.

Thanks again!

Jeff,

Just wanted to let you know that the service list for the water policy docket (W-00000C-16-0151) and the rulemaking docket related to the water policy docket (RU-00000A-16-0300) list your work address as:

Crockett Law Group PLLC
1702 E Highland Avenue, Suite 204
Phoenix, Arizona 85016

It is my understanding that this is your old address. If you would like Docket Control to change your mailing address in these two dockets, please let me know what address you would like the address changed to and I will pass this on to Docket Control.

If you would rather be taken off these service lists, you will need to send in a notice to Docket Control that you would like to be removed from these dockets. Thanks.
