Nature Of Opinion

Docket Number: G-01551A-16-0107 **Docket Position:** Against

Southwest Gas should not only be denied a rate increase, but should have the EEP weather adjustment rescinded. My March bill had a \$28.13 for seasonal adjustment for gas I didn't use along with the monthly charge of \$ 10.70 for basic service charge for gas I haven't used. That is a total of \$ 38.83 for nothing. That is highway robbery! Deny the rate increase and rollback the EEP weather adjustment factor. Thank you.
